A Trip Around McKinley County

On Sunday I took a trip around McKinley County. I started in the morning from Gallup and travelled to Thoreau, Crownpoint, and Tohatchi. I came back to Gallup early in the afternoon. At each place I looked at my clock for the time and my odometer to see the miles I travelled. Before you begin fill in the chart to help you. Here is your challenge:

I began in Gallup at quarter to ten in the morning and my odometer read thirty-six thousand, four hundred thirty-five miles. I first travelled to Thoreau which took 35 minutes and 33 miles.

Questions:

1. What time is it?

2. What does it say on my odometer?

After a fifteen minute ice cream break I moved on to Crownpoint. I arrived at seven minutes after eleven and the odometer read thirty-six thousand, four hundred ninety-two miles.

Questions:

3. How many minutes did it take to go from Thoreau to Crownpoint?
4. How many miles is it from Thoreau to Crownpoint?

My next stop was Tohatchi. It took 1 hour and 8 minutes to travel the 48 miles from Crownpoint.

Questions:

5. What time is it?

6. What does it say on my odometer?

I then travelled back to Gallup. When I arrive it was twelve forty-five and my odometer read thirty six thousand, five hundred sixty-nine miles.

Questions:

7. How long did the entire trip take?

8. How many miles did I travel?

9. What was my average speed for this trip?
