The tuition a student pays is determined by the student's residency status and the number of credit hours in which the student enrolls. Auditors, those enrolling in a course for now credit, pay the same tuition as those enrolled for credit. MasterCard and VISA are accepted for tuition payments.

Registration is not complete until all tuition and fees are paid or cleared through the UNM-G Cashier's Office. All tuition and fee charges, as well as fees for special services, are subject to change without notice. Anyone designated as a non-resident, determined at the time of admission, must pay non-resident tuition and fees. Information and petitions for changing the resident status are available in the Admission's Office. The deadline for submission of petitions is Friday of the third week of the semester.
