(The following list is not inclusive and it does not apply to all UNM Campuses)

Profile of the College Student Experience 2015

This survey is about how technology, campus climate (diversity, safety), and other factors impact your UNM experience, so that UNM administrators can improve UNM to meet your needs. This survey is administered by the Student Affairs Division. Available to undergraduate students ONLY.

National Student Financial Wellness Study (NSFWS)

This survey looks at the top ten skills employers want in new college graduates. This survey is administered by the Student Affairs Division. Available to undergraduate students ONLY.

Project Co-Curricular Outcomes

This survey looks at the top ten skills employers want in new college graduates. This survey is administered by the Student Affairs Division. Available to undergraduate students ONLY.

Campus Climate Survey

We want the UNM campus to be as comfortable and supportive to you as possible. This survey measures the current attitudes, behaviors and standards of faculty, staff, administrators and students regarding their campus atmosphere, safety and security. This survey is administered by the Dean of Students Office. Available to ALL UNM students.

Academic Advising Student Survey

Undergraduate students can provide comments and suggestions about their academic advisement experiences by completing this survey. The information will be used to learn about student experience regarding academic advisement. This survey is administered by the Office of University Advisement.

ACT CAAP Assessment

Fall 2015 and Spring 2016, UNM will offer the Reading and Mathematics ACT CAAP test modules to Sophomores, Juniors, and Seniors, and the branch campuses. Available to a random-selected sample of undergraduate students who have completed the UNM Core requirements. They will be contacted to take this assessment via email.

ACT WorkKeys Assessment

A national recognized work skills credential that spans a variety of career pathways. The UNM Career Services Lab and branch campuses offer nine modules of the ACT WorkKeys. IAD focuses on the NCRC test modules. Available to a random-selected sample of Seniors and Graduate Students who have completed the UNM Core requirements. They will be contacted to take this assessment via email.

You can earn an ACT National Career Readiness Certification (NCRC) by taking the following ACT WorkKeys test modules:
- Reading for Information
