Dear Students, Faculty and Staff:

Your safety and security are of prime concern at the University of New Mexico. Every year, the UNM Police Department publishes a report that includes crime statistics and information about university’s policies and programs related to safety and law enforcement.

The UNM Annual Security and Fire Safety Report for 2016, which details information for the 2015 calendar year which is available. The Clery Act requires that crime statistics for three years (2013, 2014 and 2015) be reported.

In addition to crimes on campus including The table shows crime statistics for Non-Campus Buildings or Property and Public Property, as defined by federal regulations specified in the accompanying table. The UNM Gallup Police Department requests crime statistics information from the Gallup Police Department, McKinley County Sheriff, New Mexico State Police and Zuni Pueblo for those areas includes the numbers provided by these other agencies in our report. Finally the table also shows statistics for violations of alcohol, drug and weapons laws that resulted in referrals for disciplinary action by the Dean of Students Office.

Along with crime stats, the complete report also includes information about crime prevention programs; ways to report criminal activity and campus policies on sexual assault; drug and alcohol; and weapons. Also, in accordance with the Higher Education Opportunity Act of 2008, the annual report details fire statistics and fire safety information as well as the university’s policy and procedures for resident students to provide a contact person in case a student is determined to be missing.

The Report can be accessed online at the following address: [http://www.gallup.unm.edu/campuspolice](http://www.gallup.unm.edu/campuspolice). You may also request a copy at the UNM Police Department (Gurley Hall Room 1205), Admissions Office (Student Services Center), Student Support and Services Center.

The UNM Gallup Police Department is working hard to make this campus a safe place to live, learn, work and play. We believe that the information in the UNM Annual Security and Fire Safety Report for 2015 is informative and helpful and we hope that you will take the time to review it.
Very truly yours,

Richard Perez, Sergeant
UNM Gallup Police Department
