TO CREATE A UNM NET ID AND PASSWORD

It is important to choose an appropriate NetID. A NetID is the user name you will use to access various systems at UNM, including email. For security reasons, the NetID should not contain any major part of your SSN, UNM ID or your date of birth. When you create a NetID, a UNM email account is automatically created for you with the NetID listed as the first part of your email address. For example, Lucy Lobo chose the NetID of ‘lucylobo’. Her email address is lucylobo@unm.edu.

Students must have been fully admitted to UNM at least one day prior to attempting to create their UNM NetID.

- Visit https://netid.unm.edu/
- Select “New NETID Registration” (left column)
- Select “UNM NETID Registration” link
- Enter your “Banner ID” (nine digit UNM ID#) and “Birth Date” (mm/dd/yyyy)
- Review section “Read the Policies And Accept.”
- Your first name and last name will be automatically populated.
- Select “I Agree and Submit”
- Create your desired “UNM NetID”
- Enter your “mobile number”

This will be used to confirm your identity for password changes in the future.

- Create a “password” for your UNM NetID.
- Select and answer the security questions of your choosing.

Write this information down and keep in your wallet and/or somewhere you store important information. Do not share with others.
