FINANCIAL TIPS

For College Students

Open Own Checking & Savings

Take control of your financial accounts, set up direct deposit for financial aid deposits.

Calculating All Income

Calculate all income for the semester. Make sure financial aid file is set for semester.

Make A Budget

List items you will need to budget for, list all expected costs. If you need more money apply for on campus student employment.

Trim Unnecessary Expenses

Every dollar counts, be smart about your spending. Cancel unneeded subscriptions, start packing own lunch or making own coffee. Evaluate Wants vs. Needs to deter impulse purchases

Get Course Needed Materials

Financial Aid is dependent on ability to pass courses, you need course materials. Order or Rent textbooks online to save money.

Avoid Service Fees

Make all your payments on time to avoid late payment charges. Avoid overdraft fees by balancing account properly.

Set Aside Emergency Money

Setting aside some money for an emergency fund gives you security. Utilize savings account.
