## TRIO/SSS Staff went to Council for Opportunity in Education COE Annual Conference in NYC!

COE is a nonprofit organization, established in 1981, dedicated to furthering the expansion of college opportunities for low-income, first-generation students, and students with disabilities in all 50 states. Its numerous membership services, the Council works in conjunction with colleges, universities, and agencies to help low-income students enter college and graduate. Over a million low-income students and students with disabilities each year receive college access and retention services through our member colleges and agencies.

## SCAVENGER HUNT RESULTS!

# SCHOLAR OF THE MONTH

## DARREL WATCHMAN

### Fun Facts

1. I have been making Dreamcatcher since I was 7 years old.
2. I am a Marine Corps Veteran.
3. I enjoy doing beadwork.
4. I enjoy making feathered fans (i.e., NAC, and Powwow).
5. I enjoy going to the gym and working out.
6. I know how to weave and was featured on UNM-Gallup's web page for a rug I weaved last year in Intro to Navajo Weaving.

### How does it feel to be scholar of the month?

It's an honor. With every TRIO monthly newsletter I would see this and read about the scholar of the month, and have always wondered what it would be like to be that person. I am proud that my work is paying off, it is especially humbling when you are recognized for it. Thank you to the TRIO staff for always being there when we (the students) need it the most.

### Do you have any study habits you would recommend to other students? What are they?

The one study habit that I continue to practice is "do the work, even when you don't want to." There are days I show up on campus and feel mentally drained. But I know that if I don't put in the work for myself, then no one else will.

### What is your favorite thing about TRIO/SSS?

That the TRIO/SSS is truly a supportive team. It's good to know that if and when I am struggling with a subject, they will offer the support I need to accomplish my goals.

### Where do you plan to transfer to after graduation?

My ideal situation would be to continue classes here at UNM-Gallup. But if the courses/classes that are required of me are offered at the main campus, then I would like to continue my educational journey with UNM Main Campus.

### I am thankful for...

I am thankful for my wife. I would not be here if she did not support me the way that she does. She is my inspiration for pursuing my education.

*Patriot Day is observed on September 11 each year, and due to its deep significance, many refer to it simply by its date: September 11, or 9/11. It is also known as the 9/11 National Day of Service and Remembrance.*

While Patriot Day is an annual observance, it is not a federal holiday. Schools and businesses remain open, and daily routines continue as usual.

The day is marked by numerous commemorative ceremonies and events across the country. These ceremonies often include moments of silence, the reading of victims' names, and tributes to the first responders and civilians who lost their lives or were impacted by the tragic events of September 11, 2001.

As of September 2024, 23 years have passed since the attacks, which profoundly changed the nation and the world. Patriot Day serves as a solemn reminder of the lives lost, the heroism displayed, and the resilience shown by communities in the face of tragedy. It is a day for reflection, unity, and commitment to service, as individuals and groups participate in various acts of kindness and volunteer efforts to honor the memory of those affected.
