

CEO Weekly Brief – 5/24/2019 Dr. James Malm

Spring 2019 Graduation Statistics

At the request of the New Mexico Legislative Finance Committee and the Gallup Executive Directors Alliance, our office of institutional research prepared graduate institutional reports for the most recent semester. The analysis provided is preliminary as final certification of spring 2019 graduates will not be completed until later in the summer.

Note: Awards can take up to 6 weeks to certify. Data provided on this page is preliminary only and numbers are expected to change slightly. Some students receive multiple awards. Therefore, data should not be used as an unduplicated headcount of graduates for the Spring 2019 semester.

A general analysis of this data shows that five degrees and certificates accounted for more than 75% of the graduate awards. These five programs are:

1) Liberal Arts	57 degrees and certificates	23%
2) Nursing & Allied Health	50 degrees and certificates	20%
3) Construction & Welding	30 degrees and certificates	12%
4) Education	27 degrees and certificates	11%
5) Business	<u>22</u> degrees and certificates	<u>9%</u>
Total:	186	76%

A further dive into the numbers indicates that five subject areas account for more than 50% of all student credit hours (SCH). These five subjects are:

1) Nursing & Allied Health	2,542 SCH	13%
2) English	2,574 SCH	13%
3) Mathematics	2,272 SCH	11%
4) Biology	1,656 SCH	8%
5) Chemistry	<u>1,292</u> SCH	<u>6%</u>
Total:	10,336	51%

These numbers indicate to me that we are, indeed, serving our mission as both a general education transfer institution and a completion hub, particularly in the nursing and allied health areas. Upon certification of the final figures, we can make further analyses.

Local Advisory Board

Our local advisory board held their regularly scheduled meeting on Tuesday, May 21st. Please refer to the [local advisory board web page](#) to see the agenda and full board packet. This meeting was the last that Dr. Jerry Dominguez was in attendance as our branch liaison from main campus. We wish Jerry all the best as he enters retirement, and thank him for his years of service to our UNM-Gallup campus.

Board Secretary Christy Butler met with McKinley County election officials this week to discuss the upcoming November board member general election. Those board members who have expiring terms in November are:

- Olin Kieyoomia, Vice Chair, Position 4
- Gerald O'Hara, Position 5
- Teri Lynn Garcia, Position 3

Please refer to the [listing of board members and terms](#) for further details.

Rhino Health Navajo Appreciation Day

I attended Navajo Appreciation Day last Saturday as sponsored by Rhino Health, Inc. This was a wonderful opportunity for community members to attend the open house and tour the facilities. I was accompanied by my 3-year-old daughter Emma and we enjoyed hot dogs and chips as well as a visit with Mark Lee, Rhino Health, Inc. CEO.

I also had a chance to meet Navajo Nation Vice President Myron Lizer at the banner signing table. We were able to chat about economic development and tribal business enterprises.

Staff Appreciation Luncheon

Thursday was the staff appreciation luncheon which was a great opportunity to recognize the work of our staff and enjoy some relaxed time together. Staff play such an integral part in the operations of our campus and I am grateful they are part of our shared governance structure. We welcome the newly organized staff group to our four formally recognized constituency groups which include the elected officials on our local advisory board, student senate and faculty assembly.

Gallup Executive Directors Alliance

On Friday of this week, I will deliver our spring 2019 graduation information and the [environmental scan](#) to the civic leaders of the Gallup Executive Directors Alliance which is chaired by Representative Patty Lundstrom.

This professional group is comprised of leaders from City of Gallup, Gallup Business Improvement District, Gallup McKinley County Chamber of Commerce, Gallup McKinley County School District, Greater Gallup Economic Development Corporation, McKinley County, Northwest New Mexico Council of Governments, Rehoboth McKinley Christian Health Care Services and UNM-Gallup.
