UNM-Gallup Limited Operations Extended:

UNM-Gallup has extended our period of limited operations until further notice. We must follow the governor’s public health orders requiring that identified non-essential businesses and employees work remotely. Until those health orders are relaxed—or we receive further social distancing guidelines from the state—we will continue to operate under limited operations:

- All UNM-G physical facilities will be accessible by authorized Tier 1 personnel only until further notice.
- This excludes: 1) The general public; 2) Admitted and registered students; and 3) Tier 2 and Tier 3 employees.
- Our courses in progress will be conducted via remote instruction through the end of this semester.
- Mail continues to be sorted every Wednesday. Please contact Linda at lbegayne@unm.edu to schedule UNM official business only mail and financial aid checks.
2020 Census Day

Census Day 2020 falls on Wednesday, April 1. This date is not a deadline but rather a reference point for our citizens to tell the Census Bureau where they reside. The 2020 Census will determine the number of seats each state has in the U.S. House of Representatives and influences how hundreds of billions of dollars in public funds are allocated for critical public services like emergency response, schools, hospitals, roads and bridges over the next 10 years.

Local efforts to reach citizens in person may not be possible because of social distancing in the coming weeks, so the UNM Complete Count Committee will be hosting a virtual block party on April 15 to raise awareness in a creative way. We encourage you to respond to your Census invitation online, by phone or by mail.
