CITY OF GALLUP CURFEW ORDINANCE:

The City of Gallup’s emergency council meeting is currently in progress with no update on a potential curfew similar to the Self-Curfew ordinance passed yesterday by the McKinley County commissioners. The councilors and community members are still discussing a potential ordinance limiting travel or businesses open in Gallup from 8 p.m. to 5 a.m.

We will update our community on any potential city ordinance that might impact you during this pandemic.

DR. LORA STONE PUBLISHES BOOK:

UNM-Gallup is going strong, and we are incredibly proud of our community for continuing their good work and studies during this pandemic.

We’re pleased to announce that Dr. Lora Stone has published her book Religion and Environmentalism: Exploring the Issues, where she explores religious traditions from around the world and their involvement in environmentalism in order to provide a global perspective on this topic and highlight the connections, similarities, and collaborations among all of the world’s different religious traditions.

JOIN THURSDAY’S SUPPORT CIRCLE

Join the afternoon support circle this Thursday at 1 p.m. on Zoom hosted by Maria Joy Oliver-Chavez. From the organizers:

"There are many of us going through a lot right now both because of COVID-19 and for other reasons entirely. We want to help provide a space for folks to be able to talk about their experiences and what they're going through in a supportive and safe environment."

Please email mailto:women@unm.edu for the Zoom link.

UNM-GALLUP APRIL POLICE SCHEDULE

While we ask all of our community members to limit their trips to campus during this period of limited operations, we understand that you might need to contact our campus police for various issues. Please see April’s police schedule [HERE].

And, many thanks to our police officers and other personnel who are working so hard to keep our campus secure while we are mostly remaining off campus and continuing to function remotely.
UPDATE FROM THE ZOLLINGER LIBRARY:

From Jim Fisk, public services librarian:

I have prepared this Coronavirus LibGuide at [http://unmgallup.libguides.com/c.php?g=1027719](http://unmgallup.libguides.com/c.php?g=1027719) by compiling information from a variety of sources including government guidelines, local and university policies and scientific research.

I also would also like to remind our teaching colleagues that our library subscribes to two film databases: [Kanopy](https://www.kanopy.com/) and [Academic Video Online](https://www.avidan.com/). Each collection includes plenty of content that may be linked or embedded in course pages without any restrictions associated with licensing.

Best and be well.

NMSBDC WEBINARS (REMINDER):

The New Mexico Small Business Development Center (NMSBDC) is offering a series of free and live interactive Webinars for small business owners who need immediate and important information related to the CARES Act and Payroll Protection Program.

Some of the available Webinars include:

- Emergency Injury Disaster Loan (EIDL) Step-by-Step Application Process
- COVID-19 Business Finance Resources
- Overview: Cares Act & New Mexico State Assistance

Many of our family members and neighbors own or work for an area business, so we encourage you to share these available Webinars that can help our local businesses with valuable resources and information.

WI-FI & TECHNOLOGY UPDATES (REMINDER):

For the benefit of our UNM-Gallup community members, we want to update you on the following resources for Wi-Fi access in the Gallup area and within the Navajo Nation:

- The Navajo Nation’s Department of Information Technology has established a temporary outdoor drive-up Wi-Fi service at the Navajo Nation Zoo parking lot in Window Rock. College and university students—including UNM-Gallup students—may utilize this for schoolwork only and are required to remain in their vehicle.
Wi-Fi Name: NN-Student-WIF-2.4G  
Wi-Fi Name: NN-Student-WIF-5g  
Password: navajostudentconnect

- The Navajo Nation signed the “Keeping Americans Connected” pledge this past Friday, April 10, to provide and strengthen Internet access for Navajo students, small businesses, and residents. As part of this pledge, the Navajo Nation will continue to work with specific carriers to set up Wi-Fi hotspot connections for students residing on the Navajo Nation—among several other efforts. To read the full press release, click here.

- Commercial Internet Options:
  - In response to the COVID-19 emergency, Comcast is offering service to new customers free for two months, and increasing speed for existing customers.
  - Centurylink offers financial assistance for Internet access through the FCC’s Lifeline program. They are also waiving late fees for customers for the next 60 days as part of their COVID-19 response.
  - Xfinity WiFi Hotspots in out-of-home locations are available for free to anyone who needs them to support communities through this challenging time. Follow instructions at xfinity.com/wifi to join a hotspot.

- UNM also offers discounts on technology, including Dell laptops. Please visit the LoboPerks site to explore available discounts.

**SUMMER & FALL REGISTRATION (REMINDER):**

A reminder that registration for summer and fall term begins today. We’ve created a convenient get-started page for new, continuing, and transfer students to get financial aid information, connect with an advisor, and register for classes. As a reminder, all classes for summer will be offered via remote instruction.

To view our registration get-started page, CLICK HERE.

**UNM-GALLUP ADVISING RESOURCES (REMINDER):**
We’ve updated our UNM-Gallup advising page to add additional resources:

**Student Q&A: COVID-19 Measures for Student Academic Success**

**Due Diligence in Alternative Methods of Advising**

**Student CR/NC Policy Update**

**UNM Registration How-To Video**

**UNM-GALLUP LIMITED OPERATIONS (REMINDER):**

UNM-Gallup has extended our period of limited operations until further notice. We must follow the governor’s [public health orders](#) requiring that identified non-essential businesses and employees work remotely. Until those health orders are relaxed—or we receive further social distancing guidelines from the state—we will continue to operate under limited operations:

- All UNM-G physical facilities will be accessible by authorized Tier 1 personnel only until further notice. The fitness trail is also closed.
- This excludes: 1) The general public; 2) Admitted and registered students; and 3) Tier 2 and Tier 3 employees.
- Our courses in progress will be conducted via remote instruction through the end of this semester.
- Mail continues to be sorted every Wednesday. Please contact Linda at [lbegayne@unm.edu](mailto:lbegayne@unm.edu) to schedule UNM official business only mail and financial aid checks.
