UNM-GALLUP COVID-19
4.27.2020 Update

These UNM-Gallup updates are intended to keep our campus informed on developments related to the COVID-19 Coronavirus outbreak. The Chancellor’s Weekly Brief will also be distributed on Fridays. For additional information, please rely on www.unm.edu/coronavirus or www.gallup.unm.edu/coronavirus

Chancellor’s Open Office Hour – Today at 4 p.m.:

Please join us today for the Chancellor’s Open Office Hour at 4 p.m. on Zoom. Instructions are posted below.

Join Zoom Meeting

Zoom Mobile Apps:

SBDC CONTINUES PPP ASSISTANCE:

The Payroll Protection Program resumes today, and our Small Business Development Center continues to help local businesses navigate their way through this program and provide knowledge once funding arrives.

According to Cyndi Jarison, director of the SBDC at UNM-Gallup, their key mission is to “continue to address the immediate needs of small businesses during this pandemic by providing them statewide resources and giving them the insight needed to plan their next move.”

Additionally, the latest iteration of the PPP and Health Care Enhancement Act provides around $750 million to tribal nation, tribal organizations, and Indian health organizations to “develop, purchase, administer, process, and analyze COVID-19 tests, scale up laboratory capacity, and trace the spread of the disease,” according to this update from the National Congress of American Indians.

FIREWALL UPGRADE THIS FRIDAY, MAY 1:

The UNM IT Network team will be on campus Friday, May 1 after 10 AM to complete an upgrade on the Gallup campus firewall to keep it in a current and supportable state. There is not an anticipated outage as campus is served by redundant firewalls. While in town, the team will also complete an upgrade on the firewall on North Campus and there will be a one-hour outage in the afternoon at that site while the work is completed.

TUTORING RESOURCE REMINDER:

A quick reminder from our Trio & Student Support Services that there is a free tutoring service for students through Tutor.com. Simply login, watch the available how-to videos, and get started. Please contact Trio / Staff if you need assistance.

UNM-G POLICE MAY SCHEDULE:

UNM-Gallup continues to operate under limited operations with only a handful of Tier 1 personnel on campus each day. Please contact our campus police for questions or concerns if you do happen to be on campus—the May schedule is now available.
LIMITED OPERATIONS EXTENDED TO MAY 16 (REMINDER):

Yesterday, President Garnett Stokes extended our period of limited operations for UNM through Saturday, May 16. UNM-Gallup will continue to follow our guidelines that have been implemented for the past several weeks:

- All UNM-G physical facilities will be accessible by authorized Tier 1 personnel only until further notice. The fitness trail is also closed.
- This excludes: 1) The general public; 2) Admitted and registered students; and 3) Tier 2 and Tier 3 employees.
- Our courses in progress will be conducted via remote instruction through the end of this semester and through the summer.
- Mail continues to be sorted every Wednesday. Please contact Linda at lbegayne@unm.edu to schedule UNM official business only mail and financial aid checks.

UNM COVID-19 SELF-REPORTING REQUIREMENTS (REMINDER):

UNM has implemented a policy for self-reporting either symptoms of or a positive test for COVID-19 in order to support efforts to slow the spread of infection. This is both to connect Lobos to resources that can support them, and to help the University assess the community impact of the virus.

This policy is specific to those individuals who are either currently working or residing on UNM main or branch campuses, or who have been physically on those campuses since April 3. It does not apply to the UNM Health Sciences Center, for which a separate HSC policy has been developed.

For guidelines and more information, please visit [www.unm.edu/coronavirus](http://www.unm.edu/coronavirus) and navigate to the bottom of the page.

UNM-GALLUP ADVISING RESOURCES (REMINDER):

We’ve updated our UNM-Gallup advising page to add additional resources:

- Student Q&A: COVID-19 Measures for Student Academic Success
- Due Diligence in Alternative Methods of Advising
- Student CR/NC Policy Update
- UNM Registration How-To Video
