NM GOVERNOR COVID-19 UPDATE TOMORROW:

Just a reminder that New Mexico’s public health emergency order has been extended through May 15—along with our limited period of operations until May 16. The governor will provide an update tomorrow (4/30) at 3 p.m., which can be viewed live on the governor’s Facebook page.

There are currently 2,974 positive cases in New Mexico with 820 of those cases in McKinley County. As a reminder, you can view real-time data on the state’s COVID-19 portal.

NAVAJO NATION CURFEW CONTINUES THIS WEEKEND:

President Nez and Vice President Myron Lizer announced that the Navajo Department of Health will issue another Public Health Emergency Order to implement another 57-hour weekend curfew beginning on Friday at 8:00 p.m. until Monday at 5:00 a.m. for the entire Navajo Nation.

The total number of positive COVID-19 cases for the Navajo Nation has reached 1,873. A total of 10,772 COVID-19 tests have been administered with 7,816 negative test results, according to a press release distributed yesterday.

In some good news, Indian Health Service announced that the final $367 million of the $1.03 billion awarded through the CARES Act has been allocated across the Indian Health System to prevent, prepare for, and respond to the Coronavirus pandemic.

SHARING CAMPUS & STUDENT EXPERIENCES:

We are currently working on the Website to provide our UNM-Gallup community more ways to share their stories, photos, and other experiences during this pandemic. As we are apart, we are looking at ways to highlight campus experiences and happenings on our social media and other digital channels to include creating video and inspiring messages, sharing successes, and featuring our graduates in the coming weeks.

Once finished, we’ll share the links to submit stories and photos for review—and then we’ll start updating our social media and Website to feature these shared Lobos experiences!
SUPPORT CIRCLE TOMORROW (REMINDER):

From Dr. Lora Stone:

The Afternoon Support Circle continues this Thursday. We know that many are going through a lot right now—both because of COVID-19 and for other reasons entirely—and we continue to provide an ongoing space for folks to be able to talk about their experiences and what they’re going through in a supportive and safe environment. A victim advocate is available for anyone needing additional individual support.

Topic: Afternoon Support Circle
Time: Apr 30, 2020 01:00 PM Mountain Time

UNM COVID-19 SELF-REPORTING REQUIREMENTS (REMINDER):

UNM has implemented a policy for self-reporting either symptoms of or a positive test for COVID-19 in order to support efforts to slow the spread of infection. This is both to connect Lobos to resources that can support them, and to help the University assess the community impact of the virus.

This policy is specific to those individuals who are either currently working or residing on UNM main or branch campuses, or who have been physically on those campuses since April 3. It does not apply to the UNM Health Sciences Center, for which a separate HSC policy has been developed.

For guidelines and more information, please visit www.unm.edu/coronavirus and navigate to the bottom of the page.
