FITNESS TRAIL CLOSURE:

In order to comply with current public health emergency and social-distancing orders in effect for New Mexico—and to protect the health and safety of our community—UNM-Gallup is closing its fitness trail until restrictions are officially relaxed—hopefully in the near future. We will announce at a later date when the trail will reopen.

While our fitness trail is closed, there are local trail systems open that allow for greater social distancing practices. We’ve provided a few resources below that might help you find another trail in the area to maintain fitness through this pandemic:

UNM ONLINE FORUM:

UNM is collecting FAQs in a valuable online forum that might be helpful to you as we navigate our way through this pandemic. There is a link available at the bottom of the forum’s page for you to submit a question, if you find that it has not already been addressed. Also, please feel free to bring your question(s) to the daily Chancellor’s Open Office Hour at 4 p.m. via Zoom.

ZOOM PRO LICENSES (REMINDER):

UNM provides Zoom Pro licenses at no cost to faculty and staff just by asking. The process to upgrade has been simplified and users can now setup a login by going to https://unm.zoom.us and signing in with a UNM NetID to be provisioned with a Zoom Pro license.

UNM-GALLUP ADVISING RESOURCES (REMINDER):

We’ve recently updated our UNM-Gallup advising page to add additional resources:

Student Q&A: COVID-19 Measures for Student Academic Success

Due Diligence in Alternative Methods of Advising

Student CR/NC Policy Update

UNM Registration How-To Video
ZOLLINGER LIBRARY RESOURCES:

The Zollinger Library is a valuable resource as we continue the semester via remote instruction. The following resources are now available as a public service to university libraries.

Free access to HTML textbooks is available and offered direct to Higher Education institutions (first four links below).

UNM-GALLUP LIMITED OPERATIONS:

UNM-Gallup has extended our period of limited operations until further notice. We must follow the governor’s public health orders requiring that identified non-essential businesses and employees work remotely. Until those health orders are relaxed—or we receive further social distancing guidelines from the state—we will continue to operate under limited operations:

- All UNM-G physical facilities will be accessible by authorized Tier 1 personnel only until further notice.
- This excludes: 1) The general public; 2) Admitted and registered students; and 3) Tier 2 and Tier 3 employees.
- Our courses in progress will be conducted via remote instruction through the end of this semester.
- Mail continues to be sorted every Wednesday. Please contact Linda at lbegayne@unm.edu to schedule UNM official business only mail and financial aid checks.
