NAVAJO NATION IMPLEMENTS WEEKEND CURFEW:

The Navajo Nation is implementing a weekend curfew from 8:00 p.m. on Friday, April 10 to 5:00 a.m. on Monday, April 13 due to the community spread of COVID-19. All individuals are being asked to stay home during the curfew hours except in the event of an emergency. Please remain flexible with those within our UNM-Gallup community who are impacted by this curfew.

SUMMER & FALL REGISTRATION OPENS MONDAY:

Kudos to our advisement, financial aid, and registration teams for preparing our campus for the upcoming summer and fall registration, which opens on Monday, April 13. We are working to provide a seamless online process for all who wish to register and join us for classes at UNM-Gallup.

We are also building a landing page on our Website to serve as a one-stop virtual resource for students to easily access advising, financial aid, and registration. Stay tuned for more information as we approach registration.

VIRTUAL SHIPROCK MARATHON:

This time of year, many of us are usually training and looking forward to the annual Shiprock Marathon, which has been officially canceled. Some good news for our running community, though: This year’s race is going virtual.

Now – April 12 (Sunday): Virtual 5K race
Week of April 13: Virtual Half Marathon
Week of April 20: Virtual 10K
Week of April 27: Virtual Marathon

For more information and to access the form to enter your race times, please CLICK HERE.

Though the UNM-G fitness trail is temporarily closed, there are other trail systems around the Gallup area that remain open and allow for greater social-distancing practices while staying focused on wellness and fitness.
SAFE-TO-DO ACTIVITIES:

Here are some safe-to-do activity suggestions from UNM Health. We encourage you to stay active and connected to others (and also get some rest) during this upcoming Easter weekend.
UNM-GALLUP ADVISING RESOURCES (REMINDER):

We’ve recently updated our UNM-Gallup advising page to add additional resources:

Student Q&A: COVID-19 Measures for Student Academic Success
Due Diligence in Alternative Methods of Advising
Student CR/NC Policy Update
UNM Registration How-To Video

UNM-GALLUP LIMITED OPERATIONS:

UNM-Gallup has extended our period of limited operations until further notice. We must follow the governor’s public health orders requiring that identified non-essential businesses and employees work remotely. Until those health orders are relaxed—or we receive further social distancing guidelines from the state—we will continue to operate under limited operations:

- All UNM-G physical facilities will be accessible by authorized Tier 1 personnel only until further notice.
- This excludes: 1) The general public; 2) Admitted and registered students; and 3) Tier 2 and Tier 3 employees.
- Our courses in progress will be conducted via remote instruction through the end of this semester.
- Mail continues to be sorted every Wednesday. Please contact Linda at lbegayne@unm.edu to schedule UNM official business only mail and financial aid checks.
