Expanded Wi-Fi Access for Students:

Over the past several weeks, UNM-Gallup and the Gallup McKinley County School District have been working on a partnership to expand Wi-Fi access to students, and we are pleased to announce that expanded access is now available to our students at these GMCS facility parking lot locations:

- Navajo Pine High
- Tohatchi High School
- Tse Yi’ Gai High
- Crownpoint High
- Thoreau High School
- Ramah High School
- David Skeet Elementary
- Gallup High
- Gallup Central High
- Red Rock Elementary
- Miyamura High
- GMCS Student Support Center
- Kennedy Middle School
- Indian Hills Elementary

To access Wi-Fi in the parking lots of these facilities, students should connect to EDUROAM with their UNM NetID and password. To find a location, please check the school district’s map of available schools with this capacity. The best coverage will be in the spaces closest to the buildings. If users need more info on how to connect to EDUROAM, there is a great article through UNM for easy reference. The map link will also be updated with additional schools as capacity becomes more widely available.

Our gratitude goes out to GMCS for partnering with us to enable students to have greater access to Wi-Fi options closer to their homes during this ongoing pandemic.

BIG BROTHERS BIG SISTERS SEEKS UNM-GALLUP MENTORS:

Now more than ever, mentors for our area’s youth are needed to build an ongoing relationship that supports, empowers, and impacts a child’s life in many positive ways. There are many youth in need of positive guidance, and Big Brothers Big Sisters needs mentors in McKinley County and Window Rock. If you are interested in becoming a mentor or learning more about the program, visit www.bbbsmountainregion.org.
UNM COVID-19 SELF-REPORTING REQUIREMENTS (REMINDER):

UNM has implemented a policy for self-reporting either symptoms of or a positive test for COVID-19 in order to support efforts to slow the spread of infection. This is both to connect Lobos to resources that can support them, and to help the University assess the community impact of the virus.

This policy is specific to those individuals who are either currently working or residing on UNM main or branch campuses, or who have been physically on those campuses since April 3. It does not apply to the UNM Health Sciences Center, for which a separate HSC policy has been developed.

For guidelines and more information, please visit www.unm.edu/coronavirus and navigate to the bottom of the page.

UNM-GALLUP ADVISING RESOURCES (REMINDER):

We’ve updated our UNM-Gallup advising page to add additional resources:

Student Q&A: COVID-19 Measures for Student Academic Success

Due Diligence in Alternative Methods of Advising

Student CR/NC Policy Update

UNM Registration How-To Video
