UNM-GALLUP LIMITED OPERATIONS EXTENDED TO JUNE 1:

UNM-Gallup’s period of limited operations has been extended to Monday, June 1, due to the ongoing COVID-19 pandemic. Our campus will continue to operate within our established tier system for personnel and closely follow guidance from public health officials and main campus leadership. President Stokes also announced today an extension to June 1 of limited operations for the main campus that were set to expire on May 18.

As a reminder, limited operation policies for UNM-Gallup include:

- All UNM-Gallup facilities will be accessible by authorized Tier 1 personnel only, and the fitness trail remains closed.
- Summer courses will be conducted via remote instruction.
- Mail continues to be sorted every Wednesday. Please contact Linda at lbegayne@unm.edu to schedule UNM official business-only mail.

BOOKSTORE UPDATE:

An update from Rose and our campus bookstore:

Due to campus limited operations, the UNM Gallup Bookstore will be closed until further notice.

We will keep everyone updated as we approach the summer semester, so that students may purchase their required course material from the bookstore.

In the meantime, we do have course materials listed on our UNM Gallup bookstore’s webpage: [https://www.gallup.unm.edu/bookstore/](https://www.gallup.unm.edu/bookstore/)

For book buyback: Please hold on to your book(s). We may be able to purchase the book(s) for our upcoming summer or fall semester. Books are purchased only if our instructors have requested the book to be used in the upcoming semester. Please check the UNM-Gallup bookstore webpage for book buyback dates.
COVID-19 TESTING REMINDER & LOCATIONS:

New Mexico Governor Michelle Lujan Grisham published a reminder today on Twitter that all COVID-19 testing is free of charge to anyone getting the test, whether they have insurance or not. “The more New Mexicans get tested, the better understanding we have of the pandemic in our state.”

Testing and screening sites can be found on an updated map provided by the New Mexico Department of Health. Locations with testing eligibility in the Gallup area include:

- Gallup Indian Medical Center (GIMC). Offers screening on site. Indian Health Service beneficiaries only.
- Rehoboth McKinley Christian Health Care Services (RMCHS). Offers drive-thru testing.

Expanded Wi-Fi Access for Students (REMINDER):

Over the past several weeks, UNM-Gallup and the Gallup McKinley County School District have been working on a partnership to expand Wi-Fi access to students, and we are pleased to announce that expanded access is now available to our students at these GMCS facility parking lot locations:

- Navajo Pine High
- Tohatchi High School
- Tse Yi’ Gai High
- Crownpoint High
- Thoreau High School
- Ramah High School
- David Skeet Elementary
- Gallup High
- Gallup Central High
- Red Rock Elementary
- Miyamura High
- GMCS Student Support Center
- Kennedy Middle School
- Indian Hills Elementary

To access Wi-Fi in the parking lots of these facilities, students should connect to EDUROAM with their UNM NetID and password. To find a location, please check the school district’s map of available schools with this capacity. The best coverage will be in the spaces closest to the buildings. If users need more info on how to connect to EDUROAM, there is a great article through UNM for easy reference. The map link will also be updated with additional schools as capacity becomes more widely available.
Our gratitude goes out to GMCS for partnering with us to enable students to have greater access to Wi-Fi options closer to their homes during this ongoing pandemic.

**UNM COVID-19 SELF-REPORTING REQUIREMENTS (REMINDER):**

UNM has implemented a policy for self-reporting either symptoms of or a positive test for COVID-19 in order to support efforts to slow the spread of infection. This is both to connect Lobos to resources that can support them, and to help the University assess the community impact of the virus.

This policy is specific to those individuals who are either currently working or residing on UNM main or branch campuses, or who have been physically on those campuses since April 3. It does not apply to the UNM Health Sciences Center, for which a separate HSC policy has been developed.

For guidelines and more information, please visit [www.unm.edu/coronavirus](http://www.unm.edu/coronavirus) and navigate to the bottom of the page.

**UNM-GALLUP ADVISING RESOURCES (REMINDER):**

We’ve updated our UNM-Gallup advising page to add additional resources:

- **Student Q&A: COVID-19 Measures for Student Academic Success**
- **Due Diligence in Alternative Methods of Advising**
- **Student CR/NC Policy Update**
- **UNM Registration How-To Video**
