RECENT CHANGES TO PUBLIC HEALTH ORDERS:

There has been a lot of information communicated from local and state officials over the past few days, so we thought it would be beneficial to provide a list of recent changes to public health orders or restrictions due to the COVID-19 pandemic:

- Gallup’s council passed an ordinance requiring the use of face masks in public, which takes effect on Monday, May 18, 2020. Anyone over the age of two is required to wear a mask or face covering while in a public place.
- From the governor: Effective Saturday, May 16, masks will be required for all New Mexicans in public places. Gallup would fall under this order, requiring face masks as early as Saturday.
- The Navajo Nation already has a similar order in place, requiring masks in public.
- The Northwest Region of New Mexico—including Gallup—enters the state’s ‘Preparation Phase’ on Saturday, May 16:
  - Non-essential retailers may provide curbside pickup or delivery
  - Golf courses, pet and veterinary services may open
  - Stay-at-home orders remain in place
  - If you must go out, maintain physical distance at least 6 feet from others
  - Congregating in groups remains unsafe and is prohibited

- COVID testing is available statewide at all NMDOH public health offices. Find a location using this directory: https://cvprovider.nmhealth.org/directory.html

- Some other good news: Nine New Mexico state parks will reopen beginning tomorrow for day-use only:
  - Oasis
  - Oliver Lee
  - Clayton Lake & Dinosaur Trackways
  - Pancho Villa
  - Mesilla Valley Bosque
  - Living Desert Zoo & Gardens
  - Coyote Creek
  - City of Rocks
  - Rockhound
ZOOM GRADUATION MESSAGES (REMINDER):

Faculty and staff are invited to record their well-wishes and congratulations to our Class of 2020, and we’ll share on our social media and Website! This can be done in a few steps using Zoom to record your personalized message:

1. Go to https://www.gallup.unm.edu/students/graduation-bg.php to select your preferred UNM-Gallup Class of 2020 background image and save it to your desktop
2. Open Zoom and select ‘New Meeting’
3. Go to the camera icon and click on the arrow to ‘choose virtual background’
4. Add your Class of 2020 background image
5. When ready, hit the ‘Record’ button and select ‘Record to the Cloud’ and begin your message
6. Deliver your message
7. Upper left corner – you’ll see the control button to stop recording.
8. End Meeting
9. You’ll receive an email that your Zoom recording is available. Forward that email to lambc@unm.edu with the links to your recording.

UNM-GALLUP LIMITED OPERATIONS EXTENDED TO JUNE 1 (REMINDER):

UNM-Gallup’s period of limited operations has been extended to Monday, June 1, due to the ongoing COVID-19 pandemic. Our campus will continue to operate within our established tier system for personnel and closely follow guidance from public health officials and main campus leadership. President Stokes also announced today an extension to June 1 of limited operations for the main campus that were set to expire on May 18.

As a reminder, limited operation policies for UNM-Gallup include:

- All UNM-Gallup facilities will be accessible by authorized Tier 1 personnel only, and the fitness trail remains closed.
- Summer courses will be conducted via remote instruction.
- Mail continues to be sorted every Wednesday. Please contact Linda at lbegayne@unm.edu to schedule UNM official business-only mail.
UNM COVID-19 SELF-REPORTING REQUIREMENTS (REMINDER):

UNM has implemented a policy for self-reporting either symptoms of or a positive test for COVID-19 in order to support efforts to slow the spread of infection. This is both to connect Lobos to resources that can support them, and to help the University assess the community impact of the virus.

This policy is specific to those individuals who are either currently working or residing on UNM main or branch campuses, or who have been physically on those campuses since April 3. It does not apply to the UNM Health Sciences Center, for which a separate HSC policy has been developed.

For guidelines and more information, please visit www.unm.edu/coronavirus and navigate to the bottom of the page.

UNM-GALLUP ADVISING RESOURCES (REMINDER):

We’ve updated our UNM-Gallup advising page to add additional resources:

Student Q&A: COVID-19 Measures for Student Academic Success
Due Diligence in Alternative Methods of Advising
Student CR/NC Policy Update
UNM Registration How-To Video
