Congratulations to our facilities management team on the soon-to-be-completed facility—which is on schedule and on budget! The 4,800-square-foot facility will add some new and high-tech conveniences including new bays that allow for easier loading, IT upgrades, a conference room with kitchenette, and ADA-compliant bathrooms—just to name a few features. With the final walk-through this week, this great addition to our campus will be in use during this critical period for our facilities and operations teams.
FACE COVERINGS REQUIRED FOR ALL WHILE IN PUBLIC

A reminder that the state of New Mexico is operating under a public health order requiring a face mask or covering while in public. From Friday’s press release from the governor’s office:

“The new emergency order, in recognition of increased risk of transmission with additional economic openings, requires everyone to cover their faces in public, with exceptions for eating, drinking and exercise. Reusable cloth face-coverings are easy to make with common household items (see explanatory video here).”
UNM-GALLUP LIMITED OPERATIONS EXTENDED TO JUNE 1 (REMINDER):

UNM-Gallup’s period of limited operations has been extended to Monday, June 1, due to the ongoing COVID-19 pandemic. Our campus will continue to operate within our established tier system for personnel and closely follow guidance from public health officials and main campus leadership.

As a reminder, limited operation policies for UNM-Gallup include:

- All UNM-Gallup facilities will be accessible by authorized Tier 1 personnel only, and the fitness trail remains closed.
- Summer courses will be conducted via remote instruction.
- Mail continues to be sorted every Wednesday. Please contact Linda at lbegayne@unm.edu to schedule UNM official business-only mail.

UNM COVID-19 SELF-REPORTING REQUIREMENTS (REMINDER):

UNM has implemented a policy for self-reporting either symptoms of or a positive test for COVID-19 in order to support efforts to slow the spread of infection. This is both to connect Lobos to resources that can support them, and to help the University assess the community impact of the virus.

This policy is specific to those individuals who are either currently working or residing on UNM main or branch campuses, or who have been physically on those campuses since April 3. It does not apply to the UNM Health Sciences Center, for which a separate HSC policy has been developed.
