HIGHLIGHTS FROM GOVERNOR’S UPDATE:

If you missed Governor Michelle Lujan Grisham’s COVID-19 update yesterday afternoon, here are some important highlights:

COVID-19 Numbers

According to the governor, the rate of COVID-19 in New Mexico is on track, which is good news.

Even with this good news, we are still encouraged to:

- Stay home except for work/urgent needs/emergencies
- Wear a cloth face covering
- Social distance – 6 feet of physical distance in public spaces
- Don’t congregate in groups – at parks or on hikes
- Support local businesses (www.buynmlocal.com)
- Help neighbors – Reach out, stay in contact
- Monitor yourself for symptoms and find out how to get tested at www.cvnmhealth.org

Behavioral Health Resources

This is a challenging time for many of us—and mental health is a top concern for our communities. There are a few statewide resources available for mental health concerns:

1. NMConnect App:
   - Download in Apple and Google Play stores. Directly connect to or text a counselor or peer-support worker. Access updated resources for substance use, mental health services, and other community resources.

2. New Mexico Crisis and Access Line: 855-662-7474
   - Statewide mental health crisis line for anyone who is concerned with suicidal thoughts, substance use, grief and other behavioral health issues.
   - 24 hours a day, all year.
   - Dial 711 for relay (hearing and speech impaired).

3. The Healthcare Worker and First Responder Support Line: 855-507-5509
4. Peer-to-Peer Warmline
   - Assistance and an understanding ear to New Mexicans who just want to talk to someone about mental health, substance use or recovery.
   - Call the Warmline: 3:30 p.m. to 11 p.m. – 7 days a week
• Text the Warmline: 6 p.m. to 11 p.m. – 7 days a week

UNM DATA CENTER OUTAGE:

Please be aware that there will be a Data Center Maintenance Outage from Friday, May 22 at 5 p.m. through Sunday, May 24, 2020, 5 p.m. The Data Center Maintenance Outage website provides detailed information about the outage and services that will be impacted. During the outage, updates will be available at italerts.unm.edu.

TECH DAYS @ HOME:

The University of New Mexico Office of the Chief Information Officer is hosting and curating content for Tech Days @ Home. Tech Days offers the University’s faculty, staff, and students an exclusive opportunity to learn about technologies on campus. Attendees can view pre-recorded sessions of current and future technological innovations at the University. For more information and a listing of available Webinars, visit http://techdays.unm.edu/
UNM-GALLUP LIMITED OPERATIONS EXTENDED TO JUNE 1 (REMINDER):

UNM-Gallup’s period of limited operations has been extended to Monday, June 1, due to the ongoing COVID-19 pandemic. Our campus will continue to operate within our established tier system for personnel and closely follow guidance from public health officials and main campus leadership.

As a reminder, limited operation policies for UNM-Gallup include:

- All UNM-Gallup facilities will be accessible by authorized Tier 1 personnel only, and the fitness trail remains closed.
- Summer courses will be conducted via remote instruction.
- Mail continues to be sorted every Wednesday. Please contact Linda at lbegayne@unm.edu to schedule UNM official business-only mail.

UNM COVID-19 SELF-REPORTING REQUIREMENTS (REMINDER):

UNM has implemented a policy for self-reporting either symptoms of or a positive test for COVID-19 in order to support efforts to slow the spread of infection. This is both to connect Lobos to resources that can support them, and to help the University assess the community impact of the virus.

This policy is specific to those individuals who are either currently working or residing on UNM main or branch campuses, or who have been physically on those campuses since April 3. It does not apply to the UNM Health Sciences Center, for which a separate HSC policy has been developed.

For guidelines and more information, please visit www.unm.edu/coronavirus and navigate to the bottom of the page.
