LOBO ACADEMY BEGINS JUNE 15:

The 2020 Lobo Academy program will begin on Monday, June 15 and runs until Thursday, July 9. This is a fantastic 4-week program delivered virtually to serve as a summer bridge program to help students get a jumpstart on their college studies and make a seamless transition to UNM-Gallup. Applicants to the program must be first-generation college students from socioeconomically disadvantaged backgrounds and may have a documented disability. Additional details are posted on the Lobo Academy page on our Website.

STATE RELAXES DINING RESTRICTIONS:

In a press release yesterday, the governor’s office announced new guidelines for a soft reopening for outdoor or patio service at dine-in restaurants—though McKinley County is currently excluded from these relaxed restrictions. It is good news and a sign of things to come for us—possibly as early as next week. Details are outlined in the release.

DOWNTOWN NIGHT-IN THIS SATURDAY:

It’s more important than ever to support our local small business community. This Saturday (5/30) is our community’s “Downtown Night-In” where you’re encouraged to bring downtown to your home and order takeout from a downtown restaurant.

UNM-GALLUP LIMITED OPERATIONS EXTENDED TO JUNE 1 (REMINDER):

UNM-Gallup’s period of limited operations has been extended to Monday, June 1, due to the ongoing COVID-19 pandemic. Our campus will continue to operate within our established tier system for personnel and closely follow guidance from public health officials and main campus leadership.

As a reminder, limited operation policies for UNM-Gallup include:

- All UNM-Gallup facilities will be accessible by authorized Tier 1 personnel only, and the fitness trail remains closed.
- Summer courses will be conducted via remote instruction.
- Mail continues to be sorted every Wednesday. Please contact Linda at lbegayne@unm.edu to schedule UNM official business-only mail.
UNM COVID-19 SELF-REPORTING REQUIREMENTS (REMINDER):

UNM has implemented a policy for self-reporting either symptoms of or a positive test for COVID-19 in order to support efforts to slow the spread of infection. This is both to connect Lobos to resources that can support them, and to help the University assess the community impact of the virus.

This policy is specific to those individuals who are either currently working or residing on UNM main or branch campuses, or who have been physically on those campuses since April 3. It does not apply to the UNM Health Sciences Center, for which a separate HSC policy has been developed.
