GOVERNOR’S COVID-19 UPDATE:

Some highlights from the governor’s update today:

- 7,364 total cases / 108 new today.
- 335 deaths / 6 new death announced today.
- 183,544 total tests conducted.
- Rapid Response teams initiated on Monday (6/1) to focus on tribal populations, long-term care facilities, healthcare, restaurants, and utilities.
- Effective June 1:
  - Restaurants may operate indoor dine-in service at 50% of maximum occupancy in accordance with COVID-Safe practices.
  - Hair salons, barbershops, tattoo parlors may operate at 25% of maximum occupancy. Clients seen on appointment-only basis.
  - Indoor malls may open at 25% of occupancy.
  - Gyms may operate at 50% of maximum occupancy.
  - Additional state parks will reopen in phases.
  - Drive-in Theaters permitted.
  - 14-day quarantine order for airport arrivals; some business travel permitted without quarantine with COVID-Safe practices.
  - For the first time, the entire state is on the same health order—McKinley County is included! All regions are trending as they should. Good news!
  - Wearing masks in public, handwashing, and isolating when sick are still in place.

FACULTY ONLINE TEACHING RESOURCES:

Dr. Shirley Heying is currently serving as our instructional designer for online course efforts. She is now available to faculty to help develop online courses as we begin the summer semester and work toward the fall. This includes helping faculty build proficiency with the UNM Learn environment and design courses for optimized learning in a hybrid environment.

Dr. Heying has also designed a sandbox course within UNM Learn that gives faculty a chance to practice with different elements and has uploaded tutorial videos for easy reference. She is available for individual Zoom sessions, and we’ve also placed some great reference material on our new faculty teaching resource page.

UNM SMALL BUSINESS RECOVERY COURSE:

During this time of economic uncertainty, many small New Mexico businesses need to build or grow their online presence to help offset the decline of in-person shopping. The University of New Mexico’s Innovation Academy and STC.UNM are offering a special course again starting on June 1, titled NM Small Business Recovery: Take and Expand your Business Online – Part 1.
For more information and to register for the course, visit this link on the UNM Newsroom.

**ABSENTEE BALLOT APPLICATIONS ARE DUE TODAY:**

The June 2 primary is next week—and the deadline for absentee ballots is today. You can fill out your application online at: https://portal.sos.state.nm.us/OVR/WebPages/AbsenteeApplication.aspx

**BOOKSTORE CURBSIDE PICKUP AVAILABLE (REMINDER):**

The UNM-Gallup bookstore will offer curbside pickup for students beginning tomorrow (5/28) through June 5 with some important requirements in place during our period of limited operations. For details and guidelines, please visit our campus bookstore webpage.

**LOBO ACADEMY BEGINS JUNE 15 (REMINDER):**

The 2020 Lobo Academy program will begin on Monday, June 15 and runs until Thursday, July 9. This is a fantastic 4-week program delivered virtually to serve as a summer bridge program to help students get a jumpstart on their college studies and make a seamless transition to UNM-Gallup. Applicants to the program must be first-generation college students from socioeconomically disadvantaged backgrounds and may have a documented disability. Additional details are posted on the Lobo Academy page on our Website.

**UNM-GALLUP LIMITED OPERATIONS EXTENDED TO JUNE 1 (REMINDER):**

UNM-Gallup’s period of limited operations has been extended to Monday, June 1, due to the ongoing COVID-19 pandemic. Our campus will continue to operate within our established tier system for personnel and closely follow guidance from public health officials and main campus leadership.

As a reminder, limited operation policies for UNM-Gallup include:

- All UNM-Gallup facilities will be accessible by authorized Tier 1 personnel only, and the fitness trail remains closed.
- Summer courses will be conducted via remote instruction.
- Mail continues to be sorted every Wednesday. Please contact Linda at lbegayne@unm.edu to schedule UNM official business-only mail.
**UNM COVID-19 SELF-REPORTING REQUIREMENTS (REMINDER):**

UNM has implemented a policy for self-reporting either symptoms of or a positive test for COVID-19 in order to support efforts to slow the spread of infection. This is both to connect Lobos to resources that can support them, and to help the University assess the community impact of the virus.

This policy is specific to those individuals who are either currently working or residing on UNM main or branch campuses, or who have been physically on those campuses since April 3. It does not apply to the UNM Health Sciences Center, for which a separate HSC policy has been developed.

For guidelines and more information, please visit [www.unm.edu/coronavirus](http://www.unm.edu/coronavirus) and navigate to the bottom of the page.
