GOVERNOR EXTENDS GALLUP’S EMERGENCY DECLARATION:

The governor has extended the city of Gallup’s emergency declaration into this week with all roadways providing access to the city closed and only residents, those who work in Gallup, and members of the media permitted entry into the city. Additionally, the hours of operations for businesses have been extended to 8 p.m. each day to allow time for essential workers to get groceries and other items. The extended order is in effect through noon on Thursday, May 7.

The state transportation department has set up checkpoints at multiple points of entry into Gallup where state police and the Army National Guard will be manning the checkpoints.

UNM COVID-19 SELF-REPORTING REQUIREMENTS (REMINDER):

UNM has implemented a policy for self-reporting either symptoms of or a positive test for COVID-19 in order to support efforts to slow the spread of infection. This is both to connect Lobos to resources that can support them, and to help the University assess the community impact of the virus.

This policy is specific to those individuals who are either currently working or residing on UNM main or branch campuses, or who have been physically on those campuses since April 3. It does not apply to the UNM Health Sciences Center, for which a separate HSC policy has been developed.

For guidelines and more information, please visit [www.unm.edu/coronavirus](http://www.unm.edu/coronavirus) and navigate to the bottom of the page.
