MODIFIED GALLUP EMERGENCY ORDER EXTENDED:

Gov. Michelle Lujan Grisham on Thursday extended a modified emergency declaration requested by the mayor of Gallup through noon on Sunday, May 10, as that city continues to work to contain the COVID-19 virus. The extended order means businesses will continue to be closed from 8 p.m. to 5 a.m.; only two people may travel together in a car; and Gallup residents should remain at home except for emergency outings through noon Sunday, May 10.

Roads into Gallup will remain closed for non-residents until 8 p.m. Friday, May 8. Per the mayor’s request, the order states that Gallup residents must wear at least a cloth face-covering when situated in an essential business, essential nonprofit or government building until the order expires.

NEW MEXICO COMMUNITY COLLEGES SUN-PATH PROJECT:

UNM-Gallup is standing together with all community colleges in New Mexico to help get people back to work with excellent training and education—and to reopen our economy.

A consortium project among New Mexico’s 10 branch community colleges created the Skill-Up Network Pathways Acceleration in Technology and Healthcare (SUN PATH) project to successfully expand and improve healthcare pathways for New Mexico students; align workforce training curriculum with employer needs; increase the number of degrees, certificates, and industry-recognized credentials earned by participating students; and help improve employment outcomes in healthcare fields.

You can learn about these efforts in a recent letter published by the consortium that outlines the great steps taken by community colleges in New Mexico to provide nearly 4 in 10 New Mexico college students the workforce skills needed in today’s economy.

TRIO PEER TUTOR & MENTOR DOUGLAS BENALLY GIVES A TIP OF THE DAY:

A nice reminder from Trio peer tutor and mentor Douglas Benally to get outdoors and enjoy the natural beauty—with a reminder to also social distance, wear a mask while in public, and plenty of sunscreen! Getting outdoors is a great way to relax and stay well.
UNM COVID-19 SELF-REPORTING REQUIREMENTS (REMINDER):

UNM has implemented a policy for self-reporting either symptoms of or a positive test for COVID-19 in order to support efforts to slow the spread of infection. This is both to connect Lobos to resources that can support them, and to help the University assess the community impact of the virus.

This policy is specific to those individuals who are either currently working or residing on UNM main or branch campuses, or who have been physically on those campuses since April 3. It does not apply to the UNM Health Sciences Center, for which a separate HSC policy has been developed.

For guidelines and more information, please visit www.unm.edu/coronavirus and navigate to the bottom of the page.
UNM-GALLUP ADVISING RESOURCES (REMINDER):

We’ve updated our UNM-Gallup advising page to add additional resources:

Student Q&A: COVID-19 Measures for Student Academic Success

Due Diligence in Alternative Methods of Advising

Student CR/NC Policy Update

UNM Registration How-To Video
