UNIVERSITY RESPONDS TO GEORGE FLOYD DEATH:

Over the weekend, several responses to the death of George Floyd were sent out from UNM leadership, and we join together with our Lobo community in sharing the same sentiments from UNM Police Chief Kevin McCabe this past Saturday:

“What transpired in Minneapolis this past Memorial Day was appalling and disgusting – in my opinion, this does not represent American law enforcement and those who committed this heinous act or stood by and did nothing to intervene lack the humanity, integrity, and honor to wear the badge of a police officer.

Their senseless actions have stained every professional law enforcement officer who swore an oath to protect and defend the communities they serve but it is also a clear call for all of us to stand against this type of abuse of power.

As a police chief, to see this type of brutality makes me sick but I am confident that justice will prevail in this case. I, along with every member of The University of New Mexico Police Department, not only strive to do our very best every day to protect and serve those within our community but also be examples of police officers that our community expects and deserves.”

FIRST PHASE OF NEW MEXICO REOPENING BEGINS TODAY:

A reminder that today begins a series of relaxed restrictions, but all are reminded that a face covering or mask is required while in public. Today, indoor dining, salons, gyms and indoor shopping malls may open on a limited basis and in accordance with required COVID-19 safe practices. Additionally, drive-in movie theaters and nine additional state parks reopen.

And, according to the city of Gallup’s Facebook page:

Effective June 1st, the City of Gallup outdoor parks will open, including the tennis courts, Dog Park, and Brickyard Bike Park. Playgrounds, basketball courts, and the Skate Park will remain closed at this time. The City of Gallup indoor recreation and entertainment facilities are remaining closed as we work to meet the State's COVID-19 Safe Practices.

UNM-GALLUP LIMITED OPERATIONS CONTINUE:

We are continuing our period of limited operations until further notice with remote work and learning within our assigned employee tier system. Telecommuting remains our default for the majority of UNM-Gallup faculty, staff, and students. All summer courses remain online. And, meetings must take place remotely whenever possible.

Campus buildings will remain locked with no public access. We have a few essential Tier 1 employees who will have access to facilities, but we will continue to limit access to campus facilities.
BOOKSTORE CURBSIDE PICKUP AVAILABLE (REMINDER):

The UNM-Gallup bookstore will offer curbside pickup for students through June 5 with some important requirements in place during our period of limited operations. For details and guidelines, please visit our campus bookstore webpage.

UNM COVID-19 SELF-REPORTING REQUIREMENTS (REMINDER):

UNM has implemented a policy for self-reporting either symptoms of or a positive test for COVID-19 in order to support efforts to slow the spread of infection. This is both to connect Lobos to resources that can support them, and to help the University assess the community impact of the virus.

This policy is specific to those individuals who are either currently working or residing on UNM main or branch campuses, or who have been physically on those campuses since April 3. It does not apply to the UNM Health Sciences Center, for which a separate HSC policy has been developed.

For guidelines and more information, please visit www.unm.edu/coronavirus and navigate to the bottom of the page.
