NAVAJO NATION DAILY CURFEW IN EFFECT:

Navajo Nation President Jonathan Nez and Vice President Myron Lizer continue to urge Navajo citizens to remain home as much as possible to avoid another spike in new cases, especially as other areas in the state of Arizona continue to see daily increases in new cases. The Navajo Nation’s public health emergency orders, including requiring the use of protective masks in public and the daily curfews from 8:00 p.m. to 5:00 a.m., are still in effect throughout the Navajo Nation.

Update on the Closure of City Facilities

FOR IMMEDIATE RELEASE

GALLUP, NM—June 12, 2020 — On March 17 the Governor’s Office issued restrictions in mass gatherings and facilities that contravene gatherings, and the City of Gallup proceeded to close many facilities the next day in response to public health and safety. City staff have been cohesively meeting and evaluating the next steps to re-opening as many operations as possible.

In the interests of public health and safety, as well as the substantial impact the pandemic has on the City budget, the following facilities will remain closed through September 30, 2020:

- El Morro Theatre and Events Center
- Aquatic Center
- Carl Garcia Fitness Center
- Luna Bowl Multi-Field Recreation Center
- Runnels Athletic Complex
- Rex Museum

All events or scheduled meetings after these facilities are effectively canceled, and staff will be working through the remainder of June to issue refunds or reschedule programs.

Please continue to submit your graduation photos and video—and continue to look for information regarding our campus drive-thru photo opportunity that we are currently working to offer our spring graduates.

From alternate histories to dystopias and from cyberpunk to space opera, the University Libraries invites the UNM community to celebrate science fiction this summer while making vital connections during these socially distanced times. UNM-GALLUP LIMITED OPERATIONS CONTINUE (REMINDER):

We are continuing our period of limited operations until further notice with remote work and learning within our assigned employee tier system. Telecommuting remains our default for the majority of UNM-Gallup faculty, staff, and students. All summer courses remain online. And, meetings must take place remotely whenever possible. Campus buildings will remain locked with no public access. We have a few essential Tier 1 employees who will have access to facilities, but we will continue to limit access to campus facilities.
