PROCESS TECHNOLOGY PROGRAM ENTERS PRELIMINARY REVIEW:

An exciting new certificate and degree program will soon come to UNM-Gallup as a result of ongoing collaboration between campus and local industry leaders, including those from Marathon Petroleum, the city of Gallup, and other industrial employers in the area who would benefit from a workforce educated locally at the university. The Process Technology program—as the new program is called—will supply local employers with the process operators and production technicians needed to fulfill manufacturing and industrial demands in the city of Gallup and beyond.

For more information, we invite you to read the full article in our newsroom.

SAFETY CHECKLIST:

We have implemented a safety checklist that must be completed prior to a visit to a campus facility. If you need to have access to a campus building, please work directly with your supervisor within 24 hours of the time/date you need access. Along with your request, you will need to submit this checklist.

NEW MEXICO SBDC UPCOMING SEMINARS:

A reminder that the New Mexico SBDC has great small business virtual seminars available. Here’s a small selection of available seminars. For dates and times, please visit their workshop webpage.

- Overview Update: Federal and State Small Business Assistance
- New Mexico Disaster Recovery Guide
- PPP Loan Forgiveness Application Requirements
- Pandemic Unemployment Assistance
- Why Start a Business Now?

UNM-GALLUP LIMITED OPERATIONS CONTINUE (REMINDER):

We are continuing our period of limited operations until further notice with remote work and learning within our assigned employee tier system. Telecommuting remains our default for the majority of UNM-Gallup faculty, staff, and students. All summer courses remain online. And, meetings must take place remotely whenever possible.

Campus buildings will remain locked with no public access. We have a few essential Tier 1 employees who will have access to facilities, but we will continue to limit access to campus facilities.
BOOKSTORE CURBSIDE PICKUP AVAILABLE (REMINDER):

The UNM-Gallup bookstore will offer curbside pickup for students through June 5 with some important requirements in place during our period of limited operations. For details and guidelines, please visit our campus bookstore webpage.

UNM COVID-19 SELF-REPORTING REQUIREMENTS (REMINDER):

UNM has implemented a policy for self-reporting either symptoms of or a positive test for COVID-19 in order to support efforts to slow the spread of infection. This is both to connect Lobos to resources that can support them, and to help the University assess the community impact of the virus.

This policy is specific to those individuals who are either currently working or residing on UNM main or branch campuses, or who have been physically on those campuses since April 3. It does not apply to the UNM Health Sciences Center, for which a separate HSC policy has been developed.

For guidelines and more information, please visit www.unm.edu/coronavirus and navigate to the bottom of the page.
