UPDATED NEW MEXICO COVID-19 CASES NOW AT 11,982:

New Mexico state health officials announced on Monday 173 additional COVID-19 cases—with McKinley County seeing 11 new cases. The Department of Health reported one additional death in New Mexico related to COVID-19, bringing the number of deaths of New Mexico residents related to this virus at 493. As of yesterday, there are 119 individuals hospitalized in New Mexico for COVID-19.

As a reminder, testing is available in the UNM-Gallup Lions Hall parking lot on Mondays, Wednesdays, and Fridays throughout the month of July from 9:00 a.m. to 11:30 a.m. We’re all reminded to wear a mask in public, social distance, and wash our hands frequently—as well as self-monitor for symptoms.

UNM’s main and branch campuses are also continuing with a daily e-mail screening policy for all personnel.

SBA PAYCHECK PROTECTION PROGRAM ENDS TODAY:

Our local business community has been greatly impacted by this pandemic with many receiving critical funding through the SBA’s Paycheck Protection Program (PPP). Unfortunately, this program officially comes to an end today with SBA Capital Access Financial Systems no longer accepting applications from participating PPP lenders. The SBA will continue to accept regular 7(a) and 504 loan applications.

UNM SERIES ON RACE AND RACISM:

The UNM Newsroom continues with its Racism: An Educational Series, which will run regularly through the end of August to coincide with the 57th anniversary of the March on Washington. This past week’s feature explored the Black Lives Matter movement, with context provided by Associate Professor Finnie Coleman. Please continue to check in with the Newsroom for regular updates as this important series unfolds over the coming weeks and months.
