UNM-GALLUP RELEASES FALL REOPENING PLAN:

Today, UNM-Gallup released its phased reopening plan for the fall semester, outlining instruction and safety protocols in place now through August 31st. The plan’s number one priority is to ensure student and personnel safety through the coming months. Some of the protocols outlined in the plan include:

- **Hybrid Courses.** Fall classes will be offered in a hybrid or online format with in-person instruction prioritized for courses with critical lab or essential-skill components.
- **Events, large gatherings, and other campus activities** are postponed through much of the fall semester.
- **The Physical Education Complex** remains closed through August 31. **The fitness trail** remains open.
- **The Zollinger Library and campus bookstore** will offer curbside pickup and other online services / reservations as the fall semester begins, including a selection of Wi-Fi Hotspots.
- **Face Masks or Coverings** are required for all who are on campus; though most personnel will continue to work remotely through August 31. We will continue using our three-tier system.
- **Meetings** will be conducted remotely via Zoom or other technologies.

We also recognize that any new or revised data provided to UNM-Gallup may require adjustments to our plan, so it’s important to stay tuned as we approach and begin the fall semester. Overall, we are working collaboratively to provide our students with a high-quality educational experience as we navigate our way through this pandemic.

There are many additional details and safety requirements expanded on in our plan that is now online. Please read and become familiar with our phased reopening plan at [www.gallup.unm.edu/safe-return](http://www.gallup.unm.edu/safe-return).

**JULY CAMPUS POLICE SCHEDULE:**

The UNM-Gallup campus **police schedule** has been posted—please be sure to coordinate access to campus facilities and other needs while on campus with our police.

**Our gratitude and heartfelt thanks to Police Officer Ray Padilla** for his 38 years in law enforcement and service to UNM-Gallup. Effective on July 24th, he will be retiring to spend time with his family. “I have truly enjoyed working for the University of New Mexico’s Gallup branch,” he said. “It has been a great experience. God bless you all.”
