

Associate of Science in Elementary Teacher Education (60-62 credits)

This degree program is designed so that upon completion students are prepared for work as an Educational Assistant or for transfer into a Bachelor of Science in Elementary Education. At UNM, Elementary Education students are required to complete 24 credit hours in a concentration-teaching field and 15 in the pre- professional sequence. Additionally, state licensure examinations are also part of this application process. See your advisor for detailed information.
